

DOH-PINELLAS HIGHLIGHTS

The Florida Department of Health received first-in-the-nation accreditation as an integrated department of health through the Public Health Accreditation Board. The seal of accreditation signifies that the Florida Department of Health has been rigorously examined and meets or exceeds national standards that promote continuous quality improvement for public health.

DOH-Pinellas participated in World Breastfeeding Week's Global Big Latch On event where WIC & Nutrition staff invited moms who breastfeed to the Mid-County conference room in Largo to simultaneously celebrate breastfeeding around the world.

The *2016 Pinellas County Guide to Farmers Markets and Produce Stands*, provided by DOH-Pinellas, in collaboration with the Healthy Pinellas Consortium, acted as a free resource to help community members find fresh-food stands and locations throughout Pinellas.

DOH-Pinellas hosted a series of community meetings to discuss Florida Healthy Babies, a collaborative statewide initiative designed to positively influence social causes of health and reduce racial disparities in infant mortality.

Dental Services expanded its School Based Sealant Program, which served 24 schools and 4,463 elementary aged children with fluoride and sealants.

DOH-Pinellas Immunization staff coordinated and presented at the Florida Annual Immunization Summit. The three-day event focused on best practices to promote adolescent immunizations and eliminate vaccine-preventable diseases.

DOH-Pinellas was awarded the Gold Level Breastfeeding Friendly Employer award for its written Breastfeeding Policy. Employees are provided a private lactation room, flexibility in their schedules to allow for pumping breaks, and resources for breastfeeding if needed.
